#### **Section I. Introduction**

STI's Practical Nurse Program has continuing Full Approval Status from the Massachusetts Board of Registration in Nursing. The curriculum combines lecture, laboratory, and clinical experiences. Classroom content includes biological and social sciences, nursing theory, and laboratory practice. The program curriculum is designed to prepare program graduates to pass the National Council Licensing Examination for Practical Nurse (NCLEX-PN). Graduates of the STI Practical Nurse Program may be eligible to receive advanced placement into RN programs at area colleges.

Graduates anticipating licensure in the Commonwealth of Massachusetts will need to provide a Social Security number and must comply with the Good Moral Character for Licensure requirement. See [www.mass.gov/dph/boards/rn](http://www.mass.gov/dph/boards/rn) for more details. All candidates for the STI's Post-Secondary Practical Nurse Program are evaluated using the selection criteria outlined in the admission policy. All completed applications for the nursing program are reviewed and will receive a response.
